Important FAQs

1. What can I do if I want to improve my grade in one or more courses?

You can appear at the final examination 3 times on one course. So, if you find that you got very low score in one or more courses, you can re-register for appearing at the examination on that course in concerned consecutive semester. You have to pay the re-exam fee (Tk. As per BOU Rules) as per the university rule. Please keep in mind that once you complete all the courses of the programme, you will not be allowed to take this opportunity.

2. Is it possible to improve the grade after completing all the courses of the programme?

If you already completed all the courses, you would *no longer be able* to improve your grades anymore. You must have at least **1 course incomplete** if you like improving your grades.

3. The duration of the programme (5 years) is over; but I am yet to complete some courses. What can I do?

If you completed at least 10 courses during the stipulated 5 years, you would have got the chance to apply to the Dean, School of Business, BOU for extension of the registration period (*De-NOVO registration*). You will be allowed to have 2 more years for completing the rest of courses.

4. How many times can I submit the assignments of a registered course?

You can submit the assignments of a registered course **only once** in the semester in which you have registered it and if you fail to submit your assignments, you shall have to pass out of 70 (for old students) or 80 (for new students).
